

SUCCESS
REIMAGINED

This is not your ordinary community college.

This is an education for the 21st century. A college that learns from industry trends, adapts to the changing job market and listens to its students. This is an education for right now and for the years ahead.

This is a world-class medical lab, a cyber-training academy, a five-star kitchen and an auto repair training center. This is an artists' workshop, a career boot camp, and a championship-level sports program. This is a group of acclaimed professors and a devoted staff who will stand at your side.

This is a class schedule for real life. This is online or in person, morning, noon or night at six locations across Monmouth County.

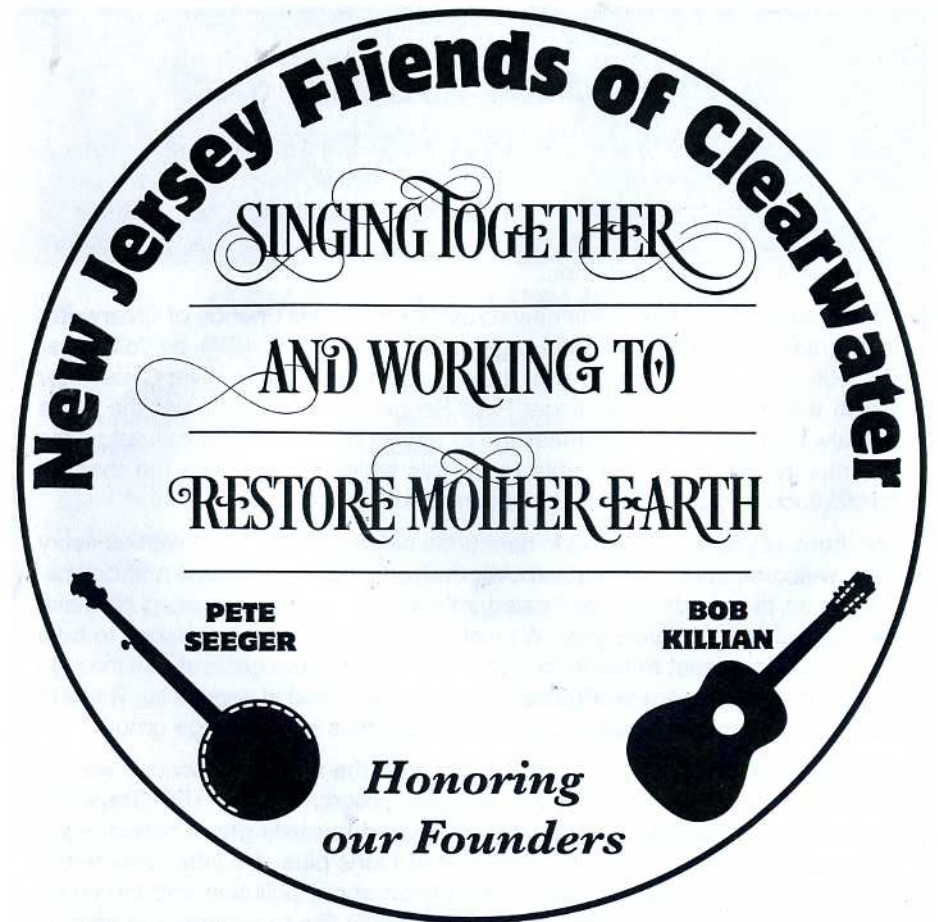

Whether you're 19 or 90, from down the road or across the globe, whether you want to learn a new skill or earn a master's degree, this college is literally designed for you.

This is not your ordinary community college. This is Brookdale. This is college redefined. This is success reimagined.

***New Jersey's Oldest & Largest
Environmental Music Festival***

President's Message

Hello, and welcome to the 41st annual NJ Friends of Clearwater Festival. Glad you could be here with us this year. We have found our new festival home here at Brookdale Community College, Lincroft campus hopefully for many years to come. I invite you to visit our many displays and vendors throughout the festival grounds.

For those of you who may be new to us, welcome. NJ Friends of Clearwater is a grass-roots environmental organization started in 1974 by folksinger Bob Killian. We are modeled after the original group Hudson River Clearwater which was started by folk singer Pete Seeger. The purpose over the years has always been to get the message of environmental awareness out to the community. We have been able to do this while having some fun through music, food and displays for both young and old alike.

For those of you that have been here once before or have been with us every year, welcome back. The festival over the years has had it's ups and downs. Thanks to the handfull of dedicated volunteers we have managed to make the festival happen every year. We welcome any person who wishes to help make a better planet to live in for our children and future generations through environmental awareness. **Please join us**, get involved in some way. Through out the year we host clean-ups and other activities for every age group.

An important program of ours is on hiatus at the moment because we are in need of a director/coordinator and that program is our TEF (Travelling Environmental Festival). It is a program geared towards grade school aged children and is composed of 5 hands on stations plus an introduction and closing presentation where the students learn about pollution and the effect on our water. If you or someone you know would like to volunteer to help us get this program up and running again please visit www.njclearwater.org/TEF.php or email info@njclearwater.org

I would like to take a moment to sending healing wishes and good vibes to two of our long time volunteers who both in some way have part of the backbone of this organization for many, many years. Ann Roemmele and Tom Mahedy. Hope you are both back to feeling like your old selves very soon. I would also like to wish Zach Forest good luck in his freshman year of college and to Matt Milich as he finishes up his last weeks on Parris Island while attending bootcamp for the United States Marine Corp. reserves. You all will be greatly missed due to your absences this year. Hope to see you all again at future festivals.

Again I want welcome you and thank you for attending this years festival and hope you will join us again in the near future.

Chrissie Goedkoop
President, New Jersey Friends of Clearwater

**IF YOU HAVE ALWAYS SAID TO YOURSELF,
"I SHOULD REALLY GET INVOLVED"
BUT NEVER HAVE . . .
WHY NOT TAKE THE TIME NOW
TO JOIN NJFC AT THE FESTIVAL!**

Come to our Membership Tent, sit down and fill out the form below.

NJFC GRATEFULLY RECOGNIZES OUR MAJOR SPONSORS ! ! !

Saker ShopRites, Inc.
Wakefern, Inc.

Clearwater Festival 2016 Special Thanks:

As Festival Co-ordinator I would like to thank Jack and Barbara Charlton for the input and endless help, Mark Lamhut for all his work over many years on the maps, signs, programs and T-shirt designs. Also Brian Ostering for his endless hours of work putting together another great year of entertainment. Ingrid Heldt for all the work she does to co-ordinate and run the Circle of Song. Thank you Lynn Humphrey for helping get the word out and co-ordinating our volunteers. Not to mention everyone else who have jumped in when need be.

We also give thanks to our host, Nilufer Onder; and Brookdale Community College. Also to the student volunteers from Brookdale's Environmental Science program and Environmental Club.

Special thanks to the monumental support for untold number of years to Saker ShopRite for their steadfast sponsorship.

Thank you to Adpro Inprints, 1206 Rt 35 South Ocean Twp, NJ 07712 for numerous years of printing our t-shirts in record time.

Chrissie Goedkoop

Special Thanks to
Ecological Systems

1-866-Sky-Solar

for their practical use of solar energy
to power the "Seeger" Stage.

Special thanks to Boris Kofman, a long-time social and environmental activist, for his generous gifts over the years to NJFC.
