

SUCCESS
REIMAGINED

**This is not your ordinary
community college.**

This is an education for the 21st century. A college that learns from industry trends, adapts to the changing job market and listens to its students. This is an education for right now and for the years ahead.

This is a world-class medical lab, a cyber-training academy, a five-star kitchen and an auto repair training center. This is an artists' workshop, a career boot camp, and a championship-level sports program. This is a group of acclaimed professors and a devoted staff who will stand at your side.

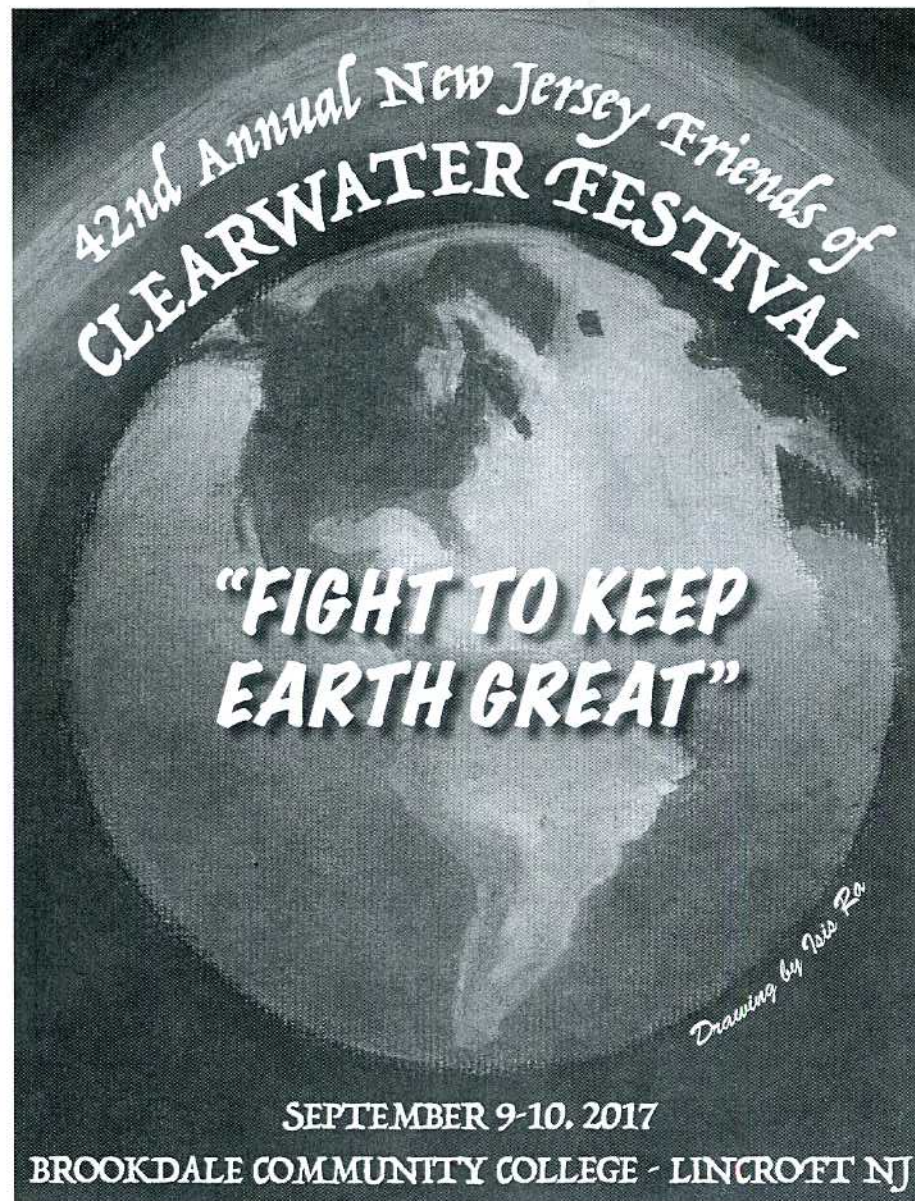

This is a class schedule for real life. This is online or in person, morning, noon or night at six locations across Monmouth County.

Whether you're 19 or 90, from down the road or across the globe, whether you want to learn a new skill or earn a master's degree, this college is literally designed for you.

This is not your ordinary community college. This is Brookdale. This is college redefined. This is success reimagined.

42nd Annual New Jersey Friends of
CLEARWATER FESTIVAL

**"FIGHT TO KEEP
EARTH GREAT"**

Drawing by Reis Pa

SEPTEMBER 9-10, 2017

BROOKDALE COMMUNITY COLLEGE - LINCROFT NJ

Larrison Hall Commons

***New Jersey's Oldest & Largest
Environmental Music Festival***

President's Message

Hello, and welcome to the 42nd annual NJ Friends of Clearwater Festival. Glad you could be join us this year. We are here at Brookdale Community College, Lincroft campus again this year and hopefully for many years to come. I invite you to visit our many displays and vendors throughout the festival grounds.

If is the first year you are joining us welcome. NJ Friends of Clearwater is a grass-roots environmental organization started in 1974 by folksinger Bob Killian. We are modeled after the orginal group Hudson River Clearwater which was started by folk singer Pete Seeger. The purpose over the years has always been to get the message of environmental awareness out to the community. We have been able to do this while having some fun through music, food and displays for both young and old alike.

For those of you that have been here once before or have been with us every year, welcome back. Despite many ups and downs we made to another year. Thanks to the hand-full of dedicated volunteers we have managed to make the festival happen every year.

We always welcome any person who wishes to help make a better planet to live in for our children and future generations through environmental awareness. Today more than ever, in light of the current issues pertaining government organizations that support the environment being either dis-banned or defunded we need to stand together, to protect our environment. There is need now more than ever to work to strengthen our organizations and the environmental issues that they focus on.

Please join us, get involved in some way. Throughout the year we host clean-ups and other activities for every age group. An important program of ours is still on hiatus at the moment because we are in need of a director/coordinator and that program is our TEF (Travelling Environmental Festival). It is a program geared towards grade school aged children and is composed of 5 hands on stations plus an introduction and closing presentation where the students learn about pollution and the effect on our water. If you or someone you know would like to volunteer to help us get this program up and running again please visit www.njclearwater.org/TEF. or email info@njclearwater.org

Again I want welcome you and thank you for attending this years festival and hope you will join us again in the near future.

Chrissie Goedkoop

BROOKDALE
COMMUNITY
COLLEGE

This program is made possible in part by Monmouth Arts through funding from the Monmouth County Board of Chosen Freeholders and the New Jersey State Council on the Arts.

Discover
JERSEY
ARTS

monmouth arts

MONMOUTH ARTS

where community & arts connect

If you love the arts & you love
Monmouth County...

Strengthens small and emerging arts organizations with workshops, networking and close to 100,000 in grants through ArtHelps.

Engages 2,000+ teen artists, arts educators and professional artists in music, dance, theater, visual arts and video at Monmouth Teen Arts Festival & Art Education Awards.

Connects businesses, government and arts groups to leverage the economic power of the arts through the MoCo Arts Corridor Partnership, a creative placemaking initiative.

Advocates for the arts on a local, state and federal level, and provides the arts community with the most current information on arts policy and issues.

Special Thanks:

As Festival Co-ordinator I would like to thank Jack and Barbara Charlton for the input and endless help, Mark Lamhut for all his work over many years on the maps, signs and programs, and for all the past and present t-shirt design he has either created or helped design. A huge thank you to Isis Ra for this years beautiful and colorful t-shirt art work. Also, Brian Ostering for his endless hours of work putting together another great year of entertainment. Ingrid Heldt for all her efforts throughout the year and at the festival for her work co-ordinating and running the Circle of Song. Not to mention everyone else who have jumped in when need be. We also give very special thanks to our host, Brookdale Community College and their event manager Nil Onder; and the students from Brookdale's Environmental Science program and Environmental Club. Finally, thanks to the monumental support for untold number of years to: Saker ShopRite for their steadfast sponsorship. and to a new friend, SJS Specialty Company for printing our t-shirts in record time. This year New Jersey Friends of Clearwater would also like to thank the Unitarian Universalist Congregation of Monmouth County for choosing New Jersey Friends of Clearwater as their Share the Plate recipient for the month of May. The organization would also like to thank Monmouth County Arts Council for awarding us with the FY2017 Mini-Grant. Thank you to all the volunteers that work throughout the year to put the festival together.

NJFC's
Garvey
~
"Pete's Banjo"

THE ENVIRONMENTAL SAIL PROGRAM

The Environmental Sail Program (ESP) and its Tuckerton garvey continues its record of being on the water every summer since 1986 and into the future. Our original Tuckerton Garvey Adam Hyler was retired two seasons ago and was donated and delivered to Tuckerton Seaport and Baymen Museum, Tuckerton, NJ on March 30, 2014. Upon delivery, Paul Hart, TSBM Exec Director declared, "We are proud to be the new home for the Adam Hyler. Thank you and all the wonderful folks who have worked so hard to make people aware of their role in the stewardship of our world."

Its replacement, Pete's Banjo was designed, and constructed over a two year period. While the Adam Hyler was a true replica of the centuries' old design and original plank-caulk hull build techniques, the 26 foot Pete's Banjo will follow that design but has been built with modern techniques including fiberglassing the hull to be more maintainable and seaworthy in its role as keystone of our ESP which includes being the flagship for Navesink Sea Scout Ship #5.

The original garveys, used for clamming and oystering because of their shallow draft, were built there before the American Revolution. Its design will allow NJ Clearwater sailors and captains to perform the following ESP initiatives with ease:

- Flagship of Navesink Sea Scout Ship #5 • Sailing, Lots of Sailing
- Boat Building and River Rangers • Nature Tours and Birding on the Navesink
- Water Testing • Oyster Bed Creation And Maintenance

Sailing, Lots of Sailing. Both NJFC volunteers and guests get to sail on the beautiful Navesink River from June through October. To qualify to sail on the Pete's Banjo requires one thing; show up on scheduled weekly sail days. With ample notice, arrangements can be made with the captains to sail for pleasure or purpose on days other than those scheduled. Email: esp@njclearwater.org or call (732) 784-8547.

Bosco's

FRIENDS HELPING FRIENDS DAY

New Jersey Friends of Clearwater is selling passes to
Bosco's Friends Helping Friends Day.

The cost of each shopping pass is \$5 and the entire amount goes directly to NJFC. Passes can be used at Bosco's in Monmouth Mall on Tuesday, October 17th, 2017 at BOSCOV'S FRIENDS HELPING FRIENDS DAY anytime between 9am - 11pm. Passes are on sale at NJFC t-shirt tent. Please help us out and buy a pass or 2. It's for a good cause and you save money.

For further information or to purchase a pass after the festival please contact 732-784-8547
Lynn.njfriends4ever@gmail.com
Chrissie.njfestdirector@yahoo.com

Tuesday, October 17
BOSCOV'S FRIENDS HELPING FRIENDS DAY
