DIRECTIONS to the GROVER HOUSE – our friends of the **Navesink Maritime Heritage Association** are graciously offering NJF Clearwater a permanent office in this building when it's completed. Please come and see it:

Parkway: Ex.109 = Route 520 East – take the first left – via the jughandle after the Lyncroft Academy bus station (Half Mile Road) – go to the end, take a left at Front Street – The Grover House will be after Sterling Court, which is the third street on the left. It will be on your right, and there is parking in front.

Route 35 North: I found this to be easiest: Before you get into Red Bank, take the jughandle to Route 520 West (Newman Springs Road). Before the Lyncroft Academy Bus Station, take a right onto Half Mile Road. Take it to the end, then turn left onto Front Street. The Grover House will be about three blocks down, after Sterling Court. You will see a large sign on your right, and there is parking in front.

Route 35 South: After the bridge into Red Bank, follow the signs to Front Street. Go West on Front Street. The Grover House will be about three blocks after Half Mile Road (the first light), after Sterling Court. You will see a large sign on your right, and there is parking in front.

As usual, we will have a **Featured Leader-Performer(s)**. Ingrid Heldt and Isis Ra, the organizers, will also participate, and so can you: Similarly to the **Circle of Song Stage** at our **NJ Friends of Clearwater Festivals**, there will be **opportunities for audience members to take a turn or two to play – or to sing along** – please bring your instrument. But if you wish, just come and listen.

We encourage songs about the environment and sing-along songs, but you can do or request others.

The suggested donation of **\$3-\$7** is still split between NJ Friends of Clearwater's free Annual Festival (our 43rd in 2018) and Pastor Sony's work on behalf of the homeless and the hungry in Asbury Park.

Our Leader-Performer for May 5 will be Martin Swinger

Martin Swinger "... is one of those rare singer-songwriters who excels at everything: singing, songwriting, guitar-playing, and being so present with his humor, tenderness, and wild mind that his performances are also deep conversations, soul to soul and heart to heart, about the quirks, surprises, and love that brings us most alive. His songs, ranging from the little plastic parts that hold the world together, to what enlightenment comes from Buddha and Betty Boop falling in love, are whimsically and wisely original and enduring – Caryn Mirriam-Goldberg, Kansas Poet Laureate Emeritus.
