

Forgiveness

Some say, "There's no end to hatred."
Some say, "Justice must be served."
I say, "Forgive and forget – Forgive and forget –
Forgive and forget – forgive and forget –
Forgive and forget – forgive and forget –
Forever – forever."

**Forgiveness – let the world know how you feel,
Forgiveness – let yourself know this is real,
Forgiveness – it's the one thing that will heal:
Forgiveness.**

**Forgiveness – when you feel you're on the floor,
Forgiveness – when you can't fight any more,
Forgiveness – It can open every door –
Forgiveness.**

It seems like the last thing on your mind now.
It seems like the hardest thing to do –
To say, "Forgive and forget –
Forgive and forget –
Forgive and forget –
Forever – forever."

**Forgiveness – let the world know how you feel,
Forgiveness – let yourself know this is real,
Forgiveness – it's the one thing that will heal:
Forgiveness.**

**Forgiveness – when you feel you're on the floor,
Forgiveness – when you can't fight any more,
Forgiveness – It can open every door –
Forgiveness.**

*If you think that you can't do it,
If you think you can't get through it,
If you can't do it for them –
Do it for yourself. – Set yourself free.*

**Forgiveness – let the world know how you feel,
Forgiveness – let yourself know this is real,
Forgiveness – it's the one thing that will heal:
Forgiveness.**
