

## The First Day

**This – is the first day –  
This is – the first day –  
This is – this is the first day –  
The first day of the rest of our lives.**

Enjoy every moment this day –  
Enjoy every moment this day –  
Enjoy every moment this day –  
It's the first day of the rest of our lives.

When it seems we've got problems  
Life goes on.  
When it seems we're losing battles  
Life goes on.  
All we need to do is keep the faith and  
Life goes on.  
It's the first day of the rest of our lives.

**This – is the first day –  
This is – the first day –  
This is – this is the first day –  
The first day of the rest of our lives.**

Keep the faith every moment this day –  
Keep the faith every moment this day –  
Keep the faith every moment this day –  
It's the first day of the rest of our lives.

When it seems that no one loves us  
Life goes on.  
When it seems that no one cares  
Life goes on.  
We must only love ourselves and  
Life goes on.  
It's the first day of the rest of our lives.

**This – is the first day –  
This is – the first day –  
This is – this is the first day –  
The first day of the rest of our lives.**
