

Your Kingdom Must Come Down

**Evil, your Kingdom must come down.
Evil, your Kingdom must come down.
We're calling the children – to join us all around.
Evil, your Kingdom must come down.**

**We're calling all the women and the men,
We're calling all the boys and the girls.
We're calling everybody to make a new world.
Evil, your Kingdom must come down.**

We won't give up – we won't give up –
We won't give up – we won't give up –
We will find a future to survive.

We won't give up – we won't give up –
We won't give up – we won't give up –
We will find a future to survive.

**Goodness, your Kingdom must arrive.
Goodness, your Kingdom must arrive.
We're calling the children – so they can survive
Goodness, your Kingdom must arrive – and**

**Wholeness, your Kingdom is alive.
Wholeness, your Kingdom is alive,
Lifting our spirits – bringing new life.
Wholeness, your Kingdom is alive.**

We won't give up – we won't give up –
We won't give up – we won't give up –
We will find a future to survive.

No place to run, no place to hide,
No place to run, no place to hide,
We will find [the] answers inside.

Evil, your Kingdom must come down.
