

Tell Me Why – Why – Why –

**Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
When all I want to do is simplify?
Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
Tell Me Why – Tell Me Why.**

I go out to buy dental floss, I come back with a car.
I go out for a movie, I come back with a star.

I store them in my attic. There's still a little room
But my star complains she's lonely. She wants me to buy her a moon.

**Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
When all I want to do is simplify?
Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –

I hire a cleaning staff to keep the whole thing neat.
Then I need a search team to find the things I need,
A team of personal trainers, so I can keep the pace
And a team of counselors to help me make more space.

**Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
When all I want to do is simplify?
Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
Tell Me Why – Tell Me Why.**

I know there is a problem. I've been thinking long and hard
How I can put your love on my credit card.

**Tell Me Why – Why – Why – why – why –
Do I buy – buy – buy – buy – buy – buy –
When I can't find the time to organize.
Tell me why-why-why – why – why –
Do I buy – buy – buy – buy – buy – buy –
When I'm trying so hard to live my life.**

**Tell Me Why – Why – Why – why – why –
