As usual, we will have a **Featured Leader-Performer**. **Ingrid Heldt and Isis Ra**, the organizers, will also participate, and so can you. More than during our NJ Friends of Clearwater Festival, there will be **opportunities for audience members to take a turn or two or three to play – or to sing along – please bring your instrument. But if you wish, just come and listen.**

We encourage songs about the environment and sing-along songs, but you can do or request others.

The suggested donation of \$3-\$7 is still split between NJ Friends of Clearwater and Pastor Sony's work on behalf of the homeless and the hungry in Asbury Park.

Our Featured Leader-Performer for May 5 will be **Cosby Gibson**

Cosby Gibson's performances include several hundred events, some international, some for television, radio and publication. They include the upcoming Folk Alliance International Conference in Toronto, Canada. Cosby's non-profit project "The Flying Song Garden" is a traveling show bringing song and festivity to communities in hardship, such as natural disaster, worksite closure, catastrophe and the like. The project has been accepted to The New York Foundation of the Arts' fiscal sponsorship program. Cosby's exploration of American Settlers in the Northeastern United States has resulted in a four-song series on her new full-length album, "American Dreams." Cosby lives near the Adirondack Mountains in NY State. Her listeners stay in contact through shows, email, social websites, telephone, personal visits or her Website www.CosbyGibson.com.

Please check www.ingridmusic.com under **Circle of Song** or www.MCClearwater.org under **Links/Circle of Song** for any potential changes to planned events or call 732-869-9276.
